About Sandbourne Housing Association

We are a non-profit making registered provider (housing association) with charitable status. Our office is based in Poole and we provide general, leasehold and shared ownership housing, together with housing for older people, across Poole, Wimborne, Bournemouth and Ringwood.

Our rented housing, specifically designated for people aged 60 and over, is only available in Bournemouth and Ringwood. This leaflet will just cover our properties in Ringwood for those aged 60 and over.

Rented housing properties (60+ years old)

This is the term used for what used to be called 'Sheltered Housing for the Elderly' and then 'HOPS (Housing for Older People with some Support facilities)'.

For our 60+ properties our aim is to provide good quality accommodation to people, aged 60 years or over, who need it, at a cost they can afford, who don't have the means to secure suitable accommodation themselves, and who have a local connection within the Parish of Ringwood's administrative area.

Our 42 flats and three bungalows for rent in Ringwood are designed for independent living and we do not have wardens/scheme managers/resident managers/support

staff on site. Residents make their own arrangements for their own carers, domestic help, etc, although we do have a housing team who are available to direct residents to the right sort of help and support, if they need it.

Although Sandbourne holds a waiting list for its over 60s properties in Bournemouth, applicants wanting to be considered for one of our Ringwood 60+ properties will need to apply through New Forest District Council (see inside back cover for how to apply).

You can also look on our website for more information and to view a slide show of our properties:
(www.sandbournehousingassociation.org.uk).

What do we offer?

All flats are set in landscaped communal gardens with non-allocated tenant parking and designated disabled parking.

Most blocks have stair lifts (in the communal entrances), door entry systems and emergency call facilities.

In addition, all residents have access to/use of communal laundry room facilities at each site.

Our bungalows are set amongst other, privately owned, bungalows in Ringwood.

Where do Sandbourne have properties for those aged 60 and over?

We have three sites of flats in Ringwood.

These are:

Christy Close:		
88 Hightown Road Ringwood BH24 1NP	8 x one-bed flats	
Guys Close:		
Addison Square Ringwood BH24 1PQ	14 x one-bed flats and 4 x two-bed flats (2 ground/2 first floor)	
Mary Mitchell Close:		
Lynes Lane Ringwood BH24 1EH	16 x one-bed flats	

We also have three bungalows in Ringwood.

These are at:

Addison Square:		
Ringwood BH24 1NP	1 x three-bed bungalow with a garage	
Hightown Gardens:		
Ringwood BH24 3EG	2 x two-bed bungalows both with a garage in a separate block	

What else is included?

All properties are initially let as starter tenancies before becoming assured tenancies at government regulated target 'social' rents, giving long-term security to tenants. Rents include a service charge to cover such items as emergency call system, window cleaning, garden maintenance and, in some cases, a garage (bungalows only). Plus, in some cases, heating, lighting, hot water and electricity are included in the service charge costs. All properties are let unfurnished and all tenants have access to all communal laundry equipment on all sites.

Guest bedrooms are available to book at our Bournemouth sites, for use by visiting family and friends etc, at a daily charge.

We are responsible for all external and communal area decorations and repairs.

Animals are sometimes permitted, subject to our prior written consent.

What about staff?

We have a housing team who offer tenancy related services for all our 60+ properties, but we expect people to be independent and make their own arrangements for domestic and personal care/support services, as necessary.

A call system provides emergency contact cover to the flats on all sites, and one of our bungalows, 24 hours a day, 7 days a week, 365 days a year. The call service can also provide a morning 'comfort call' over the telephone for an extra fee.

So, what do I do if I'm interested in applying?

To apply you must be 60 years old or over and you will need to contact the Homeseach Team at New Forest District Council for an application form. Their telephone number (at the time of printing) is 023 8028 5234.

You can also visit their website (www.newforest.gov.uk/homesearch) or email them direct on Needs.Admin@nfdc.gov.uk. You will need to complete and return the application to the address given on that form as they will administer your application and make nominations to us for any vacancies we may have.

If and when a suitable vacancy arises, you will be contacted by one of our housing team who will make an appointment for you to view a vacant property.

We are sorry but it is not possible to view properties before applying.
