

Notice of Public Consultation

Sandbourne owns and manages 45 unfurnished homes in Ringwood that are let to people aged 60 and over.

Currently, to be eligible, those applying must already be living in the Parish of Ringwood or have a strong family/social connection to the town.

Sandbourne wishes to retain priority for people with this connection but extend the boundary for a qualifying local connection to the surrounding areas in Hampshire and Dorset. To do so permission is required from the Charity Commission.

As part of our application to the Charity Commission we are interested to know the views of local people on this proposal. For more information please either call us on 01202 671222, check our website at www.sandbournehousingassociation.org.uk or email us at info@sandbourne.org.uk.

We look forward to hearing from you by 28 February 2022.
